NIVA design

NIVA design propone un'originale e variegata collezione di maniglie di lusso e pomelli di design con una vasta scelta di forme e finiture.

Le maniglie per porte NIVA sono caratterizzate da forme uniche in grado di trasformare l'ambiente circostante donandogli un tocco inedito e prezioso. Le maniglie e i pomelli realizzati dallo studio NIVA si distinguono per le loro insolite texture e forme che regalano al fruitore un'esperienza tattile unica accompagnandolo attraverso ai diversi luoghi della casa. L'oggetto di uso quotidiano si trasforma dunque in scultura caricando il suo utilizzo di un nuovo significato.

NIVA propone un'ampia collezione di pomelli di design adatti ad ogni tipo di mobile. Le inconsuete forme ricordano dei reperti provenienti da realtà inesplorate e dal fascino misterioso.

Ogni pomello è un pezzo unico realizzato a mano con la tecnica della microfusione in bronzo e ottone.

Ogni maniglia di design è un oggetto prezioso realizzato interamente a mano con procedimenti artigianali.

Tutte le fasi di lavorazione dalla progettazione alle finiture sono realizzate in Italia con la collaborazione dei migliori artigiani.

NIVA design offers an original and varied collection of luxury designer door handles and knobs, with a wide choice of shapes and finishes.

NIVA's door handles have unique shapes that give an original and precious little twist to your surroundings.

The door handles and knobs made by NIVA design have original textures and shapes that will accompany you through the house with a unique tactile experience.

Everyday objects are transformed into sculptures and thus acquire new meanings.

NIVA offers a wide collection of design knobs suitable for all types of furniture.

Their unusual shapes are reminiscent of unexplored worlds filled with mysterious charm.

Each knob is a unique piece made by hand by bronze and brass casting.

Each design door handle is a precious object made entirely by hand with handcrafted techniques.

All the production phases - from the initial design to the last finishing touches - are carried out in Italy, in collaboration with the best local artisans
